

Part 1

Welcome to Part 1 of the Chicago Fringe Festival 2016 Application. Here, you will pay your Lottery Fee. At the end, you will be sent to Part 2 to complete the Application Form. Both are necessary. You have not applied until both parts have been completed.

What happened to the First-Come-First-Served slots? Good question. Guess what, they still exist! Here's what will happen. If you are one of the first 13 artists to pay the Lottery Fee, you will be contacted by email. Pay your Participant Fee (less \$25 because you won't be in the Lottery) within 24 hours of receiving that first contact email and you will be in. Simple as that.

What happens if I don't get in on the First-Come-First-Served slots? You go into the Lottery! Yay! Come party with us and find out if you got into the Festival because fate was smiling upon you. More information about the Lottery Party will come out in February!
